

Beastmen v.1.6

Warband Special Rules

Pack Tactics (+1 Ld)

Beastmen warbands have an extra +1 Ld modifier to all rout tests they have to take.

Size Matters (Gor and Ungor)

A Beastman warband may never have more Gors than it has Ungors. If the number of Gors is greater than the number of Ungors, no new Gors may be hired until the number of Ungors exceeds it again.

Patron Gods

A warrior that has access to gift skills and/or the spell lore of a patron god must choose Khorne, Nurgle, Tzeentch, or Slaanesh as his patron god.

- Wizards *cannot* choose Khorne as their patron god.
- Different warriors in the warband *may* follow different patron gods but each warrior can never have more than a single patron god.

Primal Fury

Warriors with this rule *hate* all enemies in the first round of each close combat. (*i.e. all of their close combat attacks have +1 to hit.*)

Cloven Hoofs

Warriors with this rule may re-roll failed Jump Down tests.

Despoiler

Whenever a warrior with this rule takes an enemy *out of action* with a close combat attack, or with an attack from Throwing Axes, he becomes immune to fear and panic for the rest of the battle (*or Pit Fight*).

Heirloom

Warrior has this item when hired. It may not be swapped or sold, but may be robbed and discarded as normal.

Warband Special Rules

Fly (8")

Warriors with this rule may *fly* 8" instead of moving. They *may* use flying moves to move into close combat with enemies, in which case they count as charging, but *cannot hide* at the end of a flying move.

Unruly

When deploying the warband in scenarios, there can only be one warrior with is rule in each Combat Group.

Warband Special Equipment

Soothsayer Staff 15gc

Great-Weapon: Club: Is affected by anything that would affect a Great Club, but is a separate proficiency from normal Great Clubs.

Foretell Magic: Once per battle, wielder may re-roll one of his own Power Dice that was *not* a natural 1.

- A warrior can only re-roll one Power Dice per battle from this ability, no matter how many Soothsayer Staves he is carrying.

Can only be carried by Wizards.

Feral Standard 15gc

Special Equipment: Wielder cannot *hide* and loses 'Stealth' if he has it.

Bestial Ferocity: If this warrior is deployed and not *fleeing*, the warband may re-roll one failed Rout Test. Only one of the warband's Rout Tests can be re-rolled per battle from this ability, no matter how many warriors with Feral Standard are deployed.

Can only be carried by warriors whose race is Gor.

Blight Arrows 10gc

Special Equipment: All of warrior's shots with Short Bow, Bow, or Long Bow are *poisonous*. If the warrior also has other special arrows (*such as Hunting Arrows*), he must choose which arrows to use at the *start* of each Shooting phase. Blight Arrows last entire campaign. May be given to henchmen.
